

Mock-Up Your Holidays!

Dave Clark, M.Ed.

Class will be
held on
Wednesday
November 17,
2021 from 7-
9pm Eastern
Time

The holiday season is just around the corner. It is the time of year where we gather and celebrate with our families and friends in fellowship and gratitude for all that has been given us. A time to love and be in joy with one another. However, the holiday season can be fraught with stress and family conflicts too. Often times, the stress of the holiday season can supersede the celebration, fun and joy we would like to have.

Come join me and “Mock-Up Your Holidays!” In this class, we will:

- Continue practicing the intuitive tools of grounding, gold suns, running the earth and cosmic energies, exploding roses, havingness and the mini-me rose.
- Increase our Havingness for family and the holiday season.
- Update our child, parent and adult spaces to present time.
- Update our relationship to our family to present time.
- Look at family karma and update it to present time.
- Clean up any expectations, pictures, non forgiveness, experiences, etc. from holidays past.
- Mock-up the holiday season that we would like to have for ourselves and with our family.
