

Read and Heal Your Chakras

Dave Clark, M.Ed.

This 5-class series is held on Monday evenings from 7-9 pm eastern time beginning March 31, 2025.

Dates of classes:
3/31, 4/7, 4/28, 5/5,
& 5/19

Our chakras are universes within that contain an enormous amount of information and power. These creative manifestation portals hold all the information we need to facilitate how we respond and relate in the world. When our chakras hold limits and programming from our past, we respond to the world through those limitations instead of our truth. By clairvoyantly reading and healing your chakras, you update to present time and gain access to your authentic information. You are free!

In this series of classes, you will learn:

- the basic spiritual anatomy and functions of the 7 chakras.
- how to read and heal your chakras
- how the chakras generate the Aura layers
- about the different levels of the chakras
- about the role the chakras play in the creative manifestation process and how you respond in the world based off of what the chakra is telling you
- to clairvoyantly deprogram your chakras of limiting pictures and energies
- to read the spin and positive colors and qualities of your chakras
- to read what types of information and energies are associated with each chakra
- how the chakras impact the endocrine system
- to heal any cords that are attached to your chakras

I look forward to seeing you in class!

With love and gratitude,
Dave
