

Read and Heal Your Chakras

A 5-class series with Dave Clark, M.Ed.

This 5-class series is held on Monday evenings from 6:30-8:30pm eastern time beginning March 15, 2027.

Dates of classes: 3/15, 3/22, 3/29, 4/5 & 4/12

Unlock the Wisdom Within You

Your chakras are inner universes - powerful energy centers that hold the keys to how you respond and relate to the world. Each one carries information, patterns, and unlimited creative potential. But when they hold outdated programming or energetic flotsam and jetsam, we create and manifest in the world from our limits rather than our truth.

Through your clairvoyance and the light of your awareness, this course helps you update your chakras to present time - so you can reclaim your clarity, alignment, and freedom.

In this course, you will learn to:

- Understand the **Spiritual anatomy and function** of your 7 chakras
- Read and heal the chakras clairvoyantly
- Explore the **levels of each chakra** and what they reveal
- See how your chakras impact the **creative manifestation process**
- Deprogram limiting pictures and energy
- Read the **spin, color, and energetic qualities** of each chakra
- Understand the chakras influence on your **endocrine system**
- Heal **cords** attached to your chakras and return to energetic sovereignty with love and gratitude
