

The Healing Series

Begins September 12, 2022 and runs through May 22, 2023 on the 2nd and 4th Monday of the month from 7-9pm eastern time

Healing is the process of returning to wholeness or returning to that which is not divided. It is the process of letting go of the divisions (pictures) in your mind which make up the ego so that you can experience yourself more as the undivided Spirit you are. In this series of classes, you will continue to develop and use your clairvoyant ability to heal yourself and to discover the truth beyond the illusion of the way things may seem to be.

In the first class of each month, you will clairvoyantly take a look at a topic(s)/space(s) within yourself to discover what this space is about and what kind of energies, pictures, and limits make up this space. Then, you will heal this space and update it to present time with the qualities of energies you would rather have.

The second class of the month will focus on your reading skills. In this class, you will practice reading the topic in a classmate as a line reading so that you can heal yourself more deeply in this area by blowing your matching pictures. It's win-win. You get a healing and so does your classmate!

Take a look below to see what topics will be covered in this series.

It should be a blast! I look forward to seeing you in class!

With love and gratitude,
Dave
