

The Healing Series: 2023-2024

Dave Clark, M.Ed.

Begins
September 11,
2023 and runs
through May
27, 2024 on the
2nd and 4th
Monday of the
month from 7-
9pm eastern
time

Healing is the process of returning to wholeness or returning to that which is not divided. It is the process of letting go of the divisions (pictures) in your mind, which make up the ego, so that you can experience yourself more as the undivided Spirit you are in the body. In this series of classes, you will continue to develop and use your clairvoyant ability to heal yourself and to discover the truth, beyond the illusion of the way things may seem to be.

In the first class of each month, you will clairvoyantly take a look at a topic(s)/space(s) within yourself to discover what this space is about and what kind of energies, pictures, and limits make up this space. Then, you will heal this space and update it to present time with the qualities of energies you'd rather have.

The second class of the month will focus on your reading skills. In this class, you will practice reading the topic in a classmate(s) so that you can heal yourself more deeply in this area by blowing your matching pictures. It's win-win. You get a healing and so does your classmate!

Take a look below to see what topics will be covered in the 2023-2024 Healing Series and to access the class information and payment options.

I look forward to seeing you there!

With love and gratitude,
Dave
