Return to Wholeness. Awaken the Healer Within.

Healing is the process of returning to wholeness - the journey back to your undivided Self. This traditional clairvoyant training program emphasizes healing through self intuitive development, clairvoyant readings, and Spirit-to-Spirit communication.

Through guided meditations and clairvoyant reading, you'll learn to release the pictures that divide and limit you - so that you can see yourself and others clearly and compassionately. You'll grow your clairvoyant ability in a safe and supportive space and gain tools to support both your own healing and evolution and that of others.
